Art on Display

Second grade ceramic sculptures are on display at the Orange City Public Library. They will be there until February 21. The display includes the student's favorite animal in God's creation and it's habitat. Enjoy!

Medication for students

If your student needs medication while they are at school, our policy is to keep it in the office. This includes over-the-counter medication. We will make sure it is taken as needed and it ensures that it doesn't get lost or used by another student. We do keep some adult pain relievers in the office as well if your child ever needs it.

Save the Date: Friday, April 12 is Grandparents Day at OCCS

We will be asking for many parents to help with various tasks so if you need to ask for the day off or put it in your calendar, now is the time. You can also inform your child's grandparents of the date so they are aware. More details will come at a later date.

Pizza Ranch wagons competition

We are currently collecting Pizza Ranch Wagons for a classroom contest. The classroom that brings in the most Wagons will win a pizza party. Save the wagons from the pizza boxes and turn them in during February!
