

Dear Parents,

Welcome to a new year at OCCS! It is a privilege and honor to have your covenant children enrolled in our Christian School. Along with this privilege comes the pleasure and responsibility of being a Tiger PAWS (Parents and Advocates Willing to Serve) member. The vision of Tiger PAWS is to provide prayer, service opportunities, and financial support for our school because of our commitment to Christian education. Each parent automatically becomes a member and is responsible for various tasks throughout the year.

If you are a new parent at OCCS, this document will provide valuable information about the different Tiger PAWS projects throughout the year. Board members, committee members or a mentor parent will be able to answer any questions that you may have regarding Tiger PAWS responsibilities. Each family is appointed to a particular work group. The new work groups will go into effect in October 2021 and will be in effect until September 2022. A work group list will be on the OCCS website, along with other important Tiger PAWS information. Each week on Thursday an email will list upcoming Tiger PAWS events and responsibilities.

Tiger PAWS is governed by a nine member Executive Board, which is selected in the spring for a three-year term with the terms beginning after the fall OCCS Society meeting. The board meets several times a year, and the meetings will be announced in the weekly email.

We look forward to working together on all our different projects. Together we can serve the Lord and each other.

Our prayer is that serving in Tiger PAWS will be a blessing to you. Enjoy the year and feel free to call us or another board member if you have questions!

In His Service,
Anita Nykamp 2020-2021 President
Kristin Mellema 2021-2022 President

What are my Tiger PAWS responsibilities?

1. September - **OCCS Society Meeting** - attend to hear Tiger PAWS update and financials. Any vote (if needed) would take place at this meeting.
2. October / November - **fall frozen pigs** fundraiser. All members sell and help make pigs.
3. February - **Soup Supper** - watch weekly Tiger PAWS update via email for assignments. If your work group does not work at the soup supper you will be asked to bring soup or tavern.
4. April - help make **Pig-in-the-blankets** for Tulip Festival on one of two designated nights.
5. May - **Tulip Festival** - sign up to work a shift via the signup.com link sent out by the committee. Also bring 3 pies on the day of your shift.
6. Fulfill the responsibility of the work group you are assigned to.

Tiger PAWS Work Groups run from October 2021 to September 2022.

Please check the work group list so you know which group you are assigned to. Trade with someone in another work group if your work group will not work for you.

Tiger PAWS Events

All Tiger PAWS events have volunteer chairpersons. The work groups referred throughout are put together by the Tiger PAWS Board. Look for more information regarding these events as they take place in the weekly email Tiger PAWS update.

Fall Frozen Pigs

In 2020, we tried a new fundraiser - selling frozen pig-in-the-blankets! It was a wonderful success, and the feedback from the spring 2021 survey was very positive, so we plan to do that again this fall. All families participate in making pigs. The committee's goal is to sell and make 1500 dozen pigs!

Soup Supper

The annual Tiger PAWS Soup Supper is held in late January or early February. This event is an opportunity to enjoy food and fellowship with friends, family, neighbors and the community. The meal consists of several kinds of soup, hot dogs, tavern, pies, and desserts. Recipes for soup and tavern are provided. Either your work group chairperson will contact you or detailed information will be in the weekly Tiger PAWS update.

Pig-in-the-Blankets

In the spring, Tiger PAWS members are asked to make thousands of pig-in-the-blankets. These are used for the two Tulip Festival stands. This is a unique item that draws many people to our Festival stands. The Pig-In-the-Blanket committee is in charge of organizing this event along with finding workers to bake the pigs at the Tulip Festival and deliver them to each stand throughout each day. All Tiger PAWS members participate in one of the two nights of making pig-in-the-blankets. Pigs left over after Tulip Festival are kept frozen and can be purchased throughout the year by contacting a committee member.

Tulip Festival

The Tiger PAWS tent at the Tulip Festival is the biggest fundraiser for Tiger PAWS and takes the full cooperation from each member. The tent is located in the Iowa State Bank parking lot. Each family works a shift of a few hours some time during the Festival (either parent can take this shift). Some of the jobs available are cashier, serving, dishwashing, cutting pies, serving drinks, and waitressing. Members are also asked to bring 3 pies to the tent on the day of their shift. Tiger PAWS also sponsors a stand in the Straatmarket. It serves almond bars and pig-in-the-blankets. It is chaired by Tiger PAWS members, but the workers are generally associate members.

Year Round PAWS Projects

Apparel/Promotional Sales

The Apparel/Promotional Sales committee develop apparel to help promote OCCS in the community as well as generate pride and support for our school and its students. The committee chooses the clothing item and style to be made available for the school year as well as what design to be screen printed on the shirts. They will then advertise the clothing, take orders and distribute the items to those ordering them.

Labels For Learning and Box Tops for Education

Labels for Learning is a fundraiser that encourages all parents, grandparents and friends of OCCS to use the app "Boxtops for Education" to scan receipts and get automatic credit to OCCS for the products that qualify.

Grade Level Coordinator Administrator (GLC)

The GLC Committee will organize a grade level coordinator (GLC) for each classroom at fall registration and provide ongoing support for GLC's throughout the school year. They will update a profile folder for each teacher for the GLC's to use as a reference, provide information regarding Duty Free Lunches (DFL) and information on use of classroom funds for gifts for teachers.

School Supplies & Kitchen Committee

The school supplies and kitchen committee tasks:

1. Arranging school supplies sales and ordering available at registration nights in August
2. Annually cleaning coffee pots and roasters
3. Organizing and tracking inventory in the Tiger PAWS Building twice a year
4. Coordinating with the OCCS head cook for use of OCCS supplies and equipment
5. Managing the use of Tiger PAWS equipment by outside groups (i.e. church use of coffee pots, etc.)
