## Cubs Care/Friday Care Supply list:

- \*These supplies will be shared between both Friday Care and Cubs Care. If your child is in both programs, you will not need to purchase the items listed below twice.
- 1 small pillow or pillow pet
- -2 boxes of Kleenex
- -1 box washable thick markers
- -1 box of crayons
- -1 change of clothing including a pair of socks
- -boots (will share with Covenant Kids)
- -snow pants, snow boots, gloves and hat (for winter months, will share with Covenant Kids)
- -water bottle marked with the student's name

For both Cubs Care and Friday Care students are asked to bring their own snacks daily, and/or as needed. While this is not required, many children do become hungry during the day, so we recommend snacks be sent to school for recess time.

We look forward to seeing your students in September!
