

"For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." Pslam 139:13-14

It is our desire for students to view themselves as a unique and worthy person created in God's image for a specific task in His kingdom.

OCCS staff, students and parents - may we work together, with the help of the Holy Spirit, in this lifelong process of learning, growing and changing.

It is our hope that parents and students feel free to use the counseling program.
