

June 17, 2025

Dear Orange City Christian Family,

As we approach registration for the 2025-2026 school year, this letter is a brief reminder to families to consider the Unity Christian Partner Society. This is intended for families who are members of a church that does **not** have a fair-share program.

The Partner Society is a 501c(3) tax exempt organization that exists to allow constituents of Unity Christian an opportunity to deduct contributions they make to the Society on their federal and state income taxes. The maximum allowable contribution for the 2025-2026 school year is **\$2,000** per student plus \$10 administrative fee per family (for filing tax return and sending contribution statements).

For example, if a family is a member of the Partner Society, the student's 2025-2026 tuition would be **\$10,450 minus \$2,000** (donation to the Partner Society). The total amount donated to the Partner Society is tax deductible.

Please note: It is necessary to submit a new membership form and pledge for the 2025-2026 school year, even if you have submitted forms in previous years.

If you have any questions, feel free to contact any of us directly.

Sincerely,

Jaime Meyer, President
